FESTIVAL

July 26-31, 2022

at

Four Quarters
Interfaith Sanctuary
Artemas, PA

CELEBRATING OUR 12 YEAR ANNIVERSARY ON THE MOUNTAIN!

Thank you for spending the last decade plus with us making magic on this mountain. Over the years, we have become more than a festival. We have become a community and more importantly, a family. Every year, we gather in these woods and share laughs, music, dancing, and love. We can't wait to make more memories. We love you, fam. Now, onto our values and principles.

PEACE, LOVE, UNITY & RESPECT

are not just words. They are the ideals that form the groundwork on which our rave scene stands. More than just a catchphrase, it stands as a goal of togetherness that we strive for: the notion of being at PEACE with yourself and others, having LOVE for those around you and love for what you do, UNITY & communal awareness as well as RESPECT for property and humankind. On the flip side of the same coin, the principles of the Big Dub community at large have taken the ideal of PLUR a step further and add what it takes to make it work: self-reliance, freedom of expression and complete acceptance. It is the passion behind both of these cultural movements and what they truly stand for that speaks to all us in the BIG DUB family, which includes you. We urge both first-timers and Big Dub vets to understand and embody these ideas and invite you to become part of BIG DUB! Some of our core principles are:

RADICAL SELF EXPRESSION: There is a fire that burns inside all of us... but it is time to let that fire out so that it shines brightly for all to see. Feel free to be yourself. Wear what you want. Dance how you

want. Talk to who you want. You are free to give the gift of yourself to others. Just be sure to be respectful to the rights and boundaries of your recipients.

RADICAL SELF RELIANCE: Discover, arrange and rely on your own resources. Preparedness is sexy! Bring what you need to camp for 5 days and extras in case someone else forgot.

PARTICIPATION: Nobody here is a spectator. We are all participants in communally shaping this experience to become something great. Removing hesitation and maintaining a focus on the energy around us puts us all on a unified platform, allowing for that energy to flow as it may which has been entirely positive as we have seen in the past few years!

LEAVE NO TRACE: We take pride in leaving most venues in better condition than before we started. We expect that everyone has the sensibility to not litter, to clean up after themselves, and to respect the venues as well as the Earth. Four Quarters is a very sacred land to many, us included. If you don't know how to dispose of something, please ask a staff member!

GIFTING: This is the act of making someone's day... by doing things for another without expectation of compensation or return. We encourage our patrons to give to each other in any way they can. It's a great feeling to be able to pull resources together and know that we're making a difference in people's lives.

**Have an awesome time.
Take care of yourself. Be Safe.**

THE FIVE AGREEMENTS

...are fundamental to our living community.

- I take responsibility for my choices, and I will make choices that support my community.
- I take responsibility for the choices of others, and I will actively help them make good choices.
- I will respect the Land. I will keep it clean and help others to do so, because The Land Is My Spiritual Home.
- I see and respect the work and risk taken on by Four Quarters on my behalf, and I will lend support in every way possible.
- I am a part of The Four Quarters Community, and it is only by my choices that it will grow and prosper.

HEALTH & HAPPINESS

Just like Momma said, only you can keep you healthy.

What follows is the most important info in this program.

Health and Happiness Booklets are available at Registration, Information, and at Coffee Dragons. *Just Ask! Educate yourself!*

**Norovirus & Coronavirus
are both Highly Contagious.**

All of our regular **Health and Happiness** Hygiene practices remain in effect. **It is the responsibility of everyone who comes on the Land** to do all that they can to care for and protect each other.

Everyone should remain aware and responsible about COVID -19. We remind unvaccinated people that they remain more vulnerable and should exercise appropriate caution in crowds and in close quarters. **Stay healthy!**

REPORT symptoms to staff immediately if you or someone you know feels ill or displays symptoms. Symptomatic persons must immediately isolate.

– PLEASE –

Wash your hands before you eat, and after you use the toilet.

Report Any Illness

**Never Accept Freely
Offered Food.**

GENERAL INFO

The Land is beautiful, and sacred.
Leave it like you found it... if not better.

GATE:

Tuesday times: 9:00AM - midnight
Wednesday times: 9:00AM - midnight
Thursday times: 9:00AM - midnight
Friday times: 9:00AM - 10:00PM
Saturday times: 9:00AM - 7:00PM

CARS: The Camp is for people. Parking lot is for cars. There is no available parking inside of Main Camp. You may only have your car in the parking lot, or designated car camping area. Unload your vehicle quickly and return it to Main Parking. The shuttle bus runs continuously from the afternoon until after the Main Stage closes each night. **ABSOLUTELY NO CAMPING GEAR** is allowed on the Shuttle.

TRASH: There are no “Trash Fairies” that make it all go away. That job belongs to all of us. You may have noticed: **THE LAND IS SACRED**. It is the glue that holds this community together. Care for it and help others learn to care for it too. Free trash bags are available at all the staff locations. Put that butt in your pocket, that wrapper too, and put ‘em in your camp trash bag. On Sunday, get with neighboring camps and do a “sweep” of combined camp neighborhoods for lost trash. Then give those bags their last ride (on the hood of your car) to their final

resting place in the dumpsters on your way out. Have a clue. It’s easy. **DON’T MAKE TRASH - BAG THE TRASH YOU MAKE - PICK UP LITTER - BAGS TO THE DUMPSTER.**

MEDICAL: There will be an **EMT station with a MEDIC right on the Seminar Stage near the Merchant Green**. There will be another one in the Big Bottom, as well as in New Camp. You can also find Security at these stations too!

DESIGNATED CAMPING AREAS: Camp in designated camping areas only. Let common sense and the map be your guide. If you are unsure, ask a staff member!

CONTRABAND: Big Dub Festival does not condone illegal activity. ***We BUST people who sell.*** Please party responsibly and respect local, state, and federal laws. Glass, pets, fireworks, tanks, stealing, violence, and weapons are **NOT** allowed. Neither are bad vibes. Because they suck.

SWIMMING: Feel free to swim in the Hemlock Hole. But remember that it is wild, natural and dangerous. **NO PROVISIONS FOR YOUR SAFETY HAVE BEEN TAKEN! YOU SWIM AT YOUR OWN RISK!**

Please do not get out of the water on the far bank, and NEVER, NEVER jump into the water. To do so is cause for expulsion or risk serious injury. And please, no soap of any kind may be used in the creek. The beavers hate it.

THE COFFEE DRAGONS CAFÉ:

The Coffee Dragons is Community Central for BIG DUB. Drinks and Snacks. Ice and ATM Machine. Medical and Security.

INFORMATION BOOTH: The Information Booth is your one-stop shop for all the info you'll ever need! Feel free to ask them questions, give them compliments, or bring them gifts! You can find all activities and time slots listed here. You can also find event updates and shuttle information. *Located near the Coffee Dragons!*

CAMP FIRES & GRILLS: Campfires ARE ONLY ALLOWED IN OFFICIAL FIRE PITS. Rings are free and first come, first serve. Firewood will be for sale and available at the Coffee Dragons Cafe and in New Camp. You are allowed to have camp stoves and BBQs in your campsite. Please exercise SERIOUS caution when using these items. Make sure you are not cooking around dry brush and grass, and be sure to NEVER leave your cooking tools unattended!! If you plan to grill, please have a fire extinguisher ready. Please exercise SERIOUS caution when using these items. Never leave any fire unattended.

SHOWERS: The showers are everlastingly hot, and are self-serve and now operate 24 hours. Read the posted instructions and enjoy! Have twice the fun, shower with a friend, save water and fuel! *Also, flush ONLY bodily wastes in the toilets!!!!*

QUIET TIME: There is a Quiet Time from 5am - 11am each day. No music will be played during this time and we encourage our patrons to respect their neighbors during these times so that people can feel relaxed & be well rested. If you want to keep partying, check out the Silent Disco!

BOUNDARIES & EXPECTATIONS:

Everyone is here to have their own experience. When interacting with others, make sure you are respecting their boundaries. Also, take responsibility for your own boundaries. Make sure you are sober enough to be in control of all situations.

GENERATORS: If you are planning on using a generator, you must have a member of your camp attending to it at all times. Please make sure the pollution of your generator, both air and noise, is not going to bother your neighbors or disturb the land.

PUT IT IN A CUP: If you're old enough to drink booze, put it in a cup. Simple as that.

FIRE SPINNERS: Fire spinning is allowed on the Mountain. HOWEVER! You MUST exercise caution and take all proper safety precautions. YOU MUST have a safety and a safety blanket. Check out your surroundings!! If you are in an area with lots of dry grass or brush, it's NOT a good idea to light up. Be aware of sloping hills, hanging branches, and roots. A good open place to spin is the Drum Circle or in our fire area down in North Crook.

SAFETY & SECURITY

OPIOIDS & FENTANYL:

Across the country kids are dying and festivals are being shut down as part of the Fentanyl / Opioid explosion. These incredibly powerful sedatives are now commonly used to adulterate almost all recreational drugs that are sold anonymously at festivals. Be Smart. Don't take a chance with unknown substances.

BIG DUB FESTIVAL does not condone illegal activity, and we track and bust people who sell. For your health and your fam's health, REPORT SELLERS TO SECURITY!

CAMP SERVICES:

are available at the Coffee Dragons, located in the heart of camp by the Upper Shower House. Coffee and firewood of course, but more importantly, information and communication.

Go To The Coffee Dragons To:

- **Get 10 to 1 chlorine spray for sanitizing surfaces and trash bags, both free for the asking.**
- **Emergency contact with the Farmhouse Office.**
- **Questions and Answers.**
- **Office Tel #: 814-784-3080.**

EMS / SECURITY:

The good people of Orleans and Flintstone Fire and Rescue are on site during BigDub, covering our community's back. They are highly trained volunteers and take time off from their jobs and family to be here. They are not paid anything for this work. Stop in, say Hi and show your appreciation!

EMS / Security hubs are plainly marked, staffed 24 hours a day and are located in the heart of Main Camp, and in the White Pines. Take the time to know their locations!

Go To EMS To:

- **REPORT ILLNESS**
- **Seek a First Responder or to seek First Aid.**

BACTERIAL GASTROENTERITIS

is commonly referred to as "food poisoning" and is a bacterial infection of the gut caused by ingesting colonies of bacteria; almost always from contaminated food, but some-times from surfaces.

It is not directly communicated from person to person.

Onset after ingestion is usually rapid, with symptoms that can include nausea, vomiting and sometimes diarrhea. In rare cases it can be life threatening.

Prevention involves the usual home cooking precautions of cleanliness, food storage and adequate cooking times.

Please know that the very safest foods are those prepared by a State Licensed Food Vendor or Licensed Commercial Kitchen; as are found here at Four Quarters.

SELF CARE:

Events at Four Quarters have busy schedules, and we encourage you to participate fully, but make sure you care for your needs as well!

Get adequate sleep (6 hours a night at least) and **stay hydrated** (drink water even if you are not thirsty). Remember, not taking care of yourself dramatically lowers your immune system and makes you susceptible to all kinds of nasties!

OUR DEEP WELL

was drilled in 2017 to commercial standards, over 400 feet deep with a steel casing liner to 60 feet, and a pressure grouted seal of the steel casing to native rock. The main water vein is

located at 350 feet, with water rising to within 160 feet of the surface of the well.

Unlike city water which is filtered from rivers, this deep water is incredibly pure. It is chlorinated and chlorine levels are checked daily. Monthly samples are drawn for testing and certified by PA DEP to the very highest standards..

All water spigots in camp are supplied from this well, and we are very, very proud of our water. Please never, ever wash anything, including your teeth or hands, at a drinking water spigot. Leave it clean for your fellow campers. ENJOY!

SIDELING HILL CREEK

is a Federally Protected Exceptional Value Stream, one of the cleanest in Pennsylvania. Feel free to enjoy its waters and swim in the Hemlock Hole. But remember that it is wild, natural and dangerous.

NO PROVISIONS FOR YOUR SAFETY HAVE BEEN TAKEN. YOU SWIM AT YOUR OWN RISK.

And **NEVER, NEVER** jump into the water, to do so is cause for expulsion. No soap of any kind should be used in the creek, and of course... **DO NOT DUMP WASTE-WATER IN THE CREEK.**

ABOUT FOUR QUARTERS INTERFAITH

Four Quarters is a Church, a Sanctuary and beautiful Land in the Allegheny foothills of south central Pennsylvania, located 100 miles west of Baltimore-Washington. The Land is an enclosed river valley, bisected by Sideling Hill Creek, a Pennsylvania protected 'Exceptional Value Stream.' The surrounding cliffs form a naturally secluded retreat that features a broad range of ecological habitats ranging from creek-side pools to dry cliff face, mature forest to hilltop meadow.

Four Quarters now owns over 200 acres of Land, largely free of debt and forever free of private ownership.

The beating heart of Sacred Place is The Circle of Standing Stones, a living Sanctuary, open to all. Our Stone Circle began in 1995 with an idea—and one solitary Standing Stone set upon a forested hilltop. Today, over 60 Standing Stones grace that hilltop, outlining almost two-thirds of the final 200-foot diameter circle. With rope and rollers, sweat and joy, we do it by hand, the old way. In Community. Stone by Stone.

Four Quarters is the creation of the many people who have come to the Land, sensed something special, and made the choice to serve and support it in their lives. Those who live here under vows of monastic poverty, and our Board of Directors, who serve without compensation. Our ceremonial and grounds volunteers who provide so much energy to so many. Our Members and guests with their gifts of their presence, smiles, and money to support the mission. It is this Community of people in connection with each other and the Land that forms the magic that is Four Quarters.

We honor the many world traditions that reflect an Earth Based Spirituality, we work to support those traditions and welcome their people.

Don't hesitate to visit our website or call for more information regarding Festivals, Moon Services, or other events at Four Quarters. Talk to any staff Member. Get a copy of our annual **Wheel of the Year** Desk Calendar, free for the asking!

THE SWEAT LODGE AT FOUR QUARTERS

A sacred place for renewal, prayer and healing.

CEREMONY TIMES

We're planning to run ceremony at 3PM Wednesday Afternoon.

2 ceremonies daily on Thursday, Friday, & Saturday at 12N & 3pm.

All Start Times are approximate.

The Sweat Lodge at Four Quarters

is a beautiful and sacred site on the land at Four Quarters and we invite you to come to pray and sweat with us! The sacred fires will be burning, you are welcome to come meditate, chill out, talk with us, and reconnect in this area.

The Sweat Lodge at Four Quarters holds to the same interfaith view as Four Quarters Interfaith Sanctuary and does not follow a single tradition or path. All are welcome. Our ceremonies facilitate personal and collective inner cleansing and healing. This is ceremonial space and is to be respected as such.

A typical lodge has four rounds where the door is closed and water is poured on the heated stones, with brief breaks between rounds. It's good, but not required to sit all four rounds. Ceremonies might last about an hour and a half to two hours. Bring a towel, drinking vessel, and whatever you want to wear, or not wear. ***Please hydrate yourselves!***

FOR YOUR SAFETY: No alcohol, substances, or other intoxicants in the ceremony or the ceremony area. Follow the guidance of Sweat Staff and the Ceremony Leaders at all times.

NATURE, CRAFTS, & TOURS

Visit Sweat Camp for Mid-Morning Nature Walks, Natural Crafts, and Camp Tours from the Sweat Crew. The Welcome Fire will be burning late into the night for guests to visit.

Due to the nature of the ceremony, we are remaining cautious about Covid-19. Based on the principle of *Shared Risk, Shared Responsibility*, we expect people to be responsible about any potential exposures. Screening and guidance for Covid-19 mitigation will be provided at the time of ceremony.

Out of respect for the ceremonies and the teachings of our elders, we must respectfully ask that intoxicated persons please refrain from Sweat Lodge ceremony. Moontime Ladies, please speak to a ceremony leader for guidance or with any questions.

Our deepest appreciation to our Sweat Lodge team for keeping the site, chopping wood, carrying water, hauling stones, and making our guests feel welcome and comfortable.

Ceremony Leaders –
Kurt Griffith Talking Stone, &
Walter Weaving Eagle.

Jeff Fox, Chief Firekeeper, in Service

We welcome volunteers willing to help out and learn. Please see a staff member at the Sweat Lodge Site

Wopila tanka! Mitaquye oyasin.
